

THOM PACKMAN

Creative and versatile designer, content creator, and videographer with a passion for transforming ideas into visually compelling stories. Leveraging a strong blend of artistic vision, technical expertise, and innovative thinking, I aim to contribute my skills in graphic design, content creation, and videography to drive engaging and impactful visual experiences for clients and audiences alike.

Expert with Photoshop, Illustrator, Adobe XD, Premiere Pro, After Effects, Figma, HTML, CSS. You can find a lot of what I've accomplished down below.
