

THOMPACMAN

Looking for experience to improve my professional skills in a digital content career field I am however looking for a co-op placement at Algonquin College for May 2023 to August 2023. In the past year, I've gained 3.5K YouTube subscribers in a year from shorts and almost 8K followers on TikTok also I've taught myself to Disc Jockey.

I'm familiar with Photoshop, Illustrator, Adobe XD, Premiere Pro, Lightroom, Figma, HTML, CSS, and JS. You can find a lot of what I've accomplished down below.

Work Ethic

Leadership

Time Management

Problem-solving

Attention to Detail

Data analysis

Experience

NIGHTCLUB SECUIRTY

NOV 2022 - CURRENT • PART-TIME • HEART & CROWN PUB
Working in the club Checking IDs are very important, watching crowds with attention to detail is important making sure customers aren't doing anything they're not supposed to be doing.

HARM REDUCTION SECURITY GUARD

NOV 2021 - CURRENT • FULL TIME • IRONHORSE
SECURITY

When working in harm reduction it's very important to keep a close eye on the clients that come to the clinic. Also finding connections and communication play a huge role too. Working here I've built amazing communication skills.

BARBACK / SECURITY GUARD

JUNE 2015 - MAR 2020 • PART TIME • JUNCTION
NIGHTCLUB

Customer Service, ID Checks, Events, Dish Pit & Team Player

OPPERATIONAL MANAGER

JUNE 2014 - JUNE 2015 • FULL TIME • THE MOVIE PEOPLE
Working here I had a lot of responsibility, dealing with money, and customers, cleaning, training new employees, learning security codes and even being a KEY-HOLDER at this store. I dealt with learning the system on the computer, learning how to print a receipt and make one by scanning the items. Always paying close attention to detail.

Education

Algonquin College ~ Interactive Media Design (Present)

Lakefield District Secondary School (2011-2015)
